DETAILED ACTION

Allowable Subject Matter

Claims 18 – 33 are allowed.

The following is an examiner's statement of reasons for allowance:

With respect to claim 18 and 33, the prior art does not teach or render obvious the total combination as claimed including an engraving head system comprising first and second heat exchangers on a support, the second heat exchanger being positioned to cool an engraving head and at least two conduits between the first and second heat exchangers for circulating a first coolant between the two heat exchangers, the first heat exchanger being cooled by a second coolant.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
